What are Aromasoles?

AROMASOLES ARE INFUSED SPA SOCKS...

There aren't many things more relaxing than a day at the spa, but not all of us have the time or money to visit every day of the week, or when we need it. That shouldn't stop you from wrapping yourself up in something soft, warm, and smells heavenly. Now with the help of science, we can bring one of the best inventions of the century straight to your home. MOISTURIZING SPA SOCKS!

Our adorable, pre-made packets of moisturizing, aroma filled goodness can be worn over day or night on your own time to smooth and soften your dried and cracked feet, improve your sleep, and help you unwind from life's little and big discomforts.
