

MORGAN SWANK STUDIO  
WHOLESALE CATALOGUE  
2025-2026

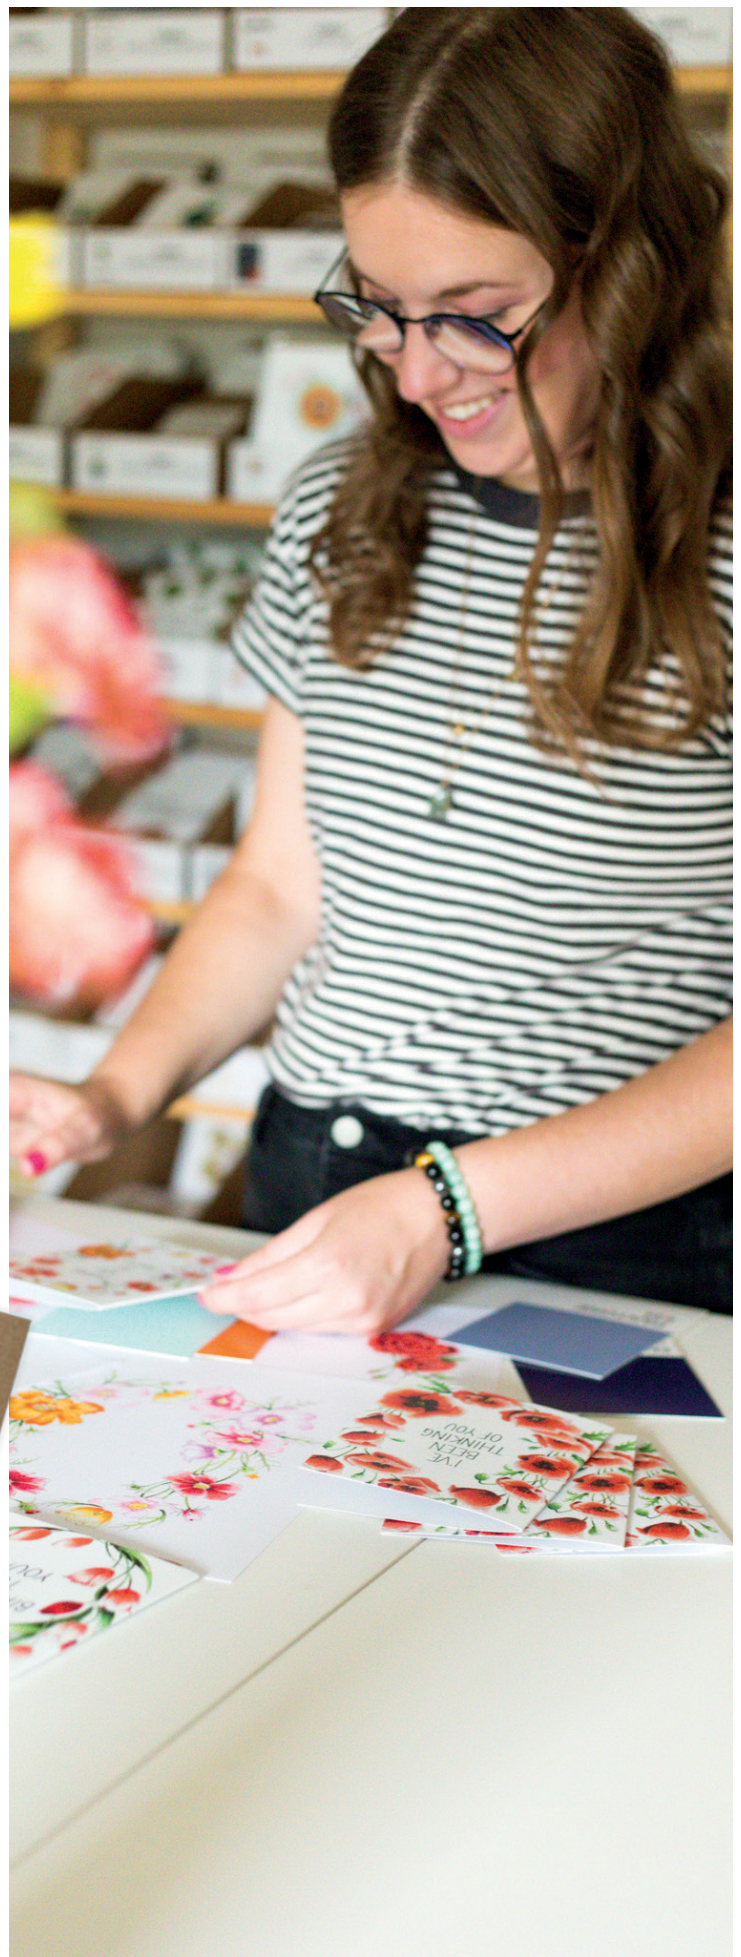

# HELLO!

Morgan Swank Studio is an art and design studio that creates cheeky but wholesome greeting cards for people who don't take themselves too seriously.

All designs are illustrated by owner Morgan using markers or digital illustration tools—and sometimes a combination of both!

Morgan Swank Studio is all about spreading joy by creating beautiful things for people who want to connect through art.

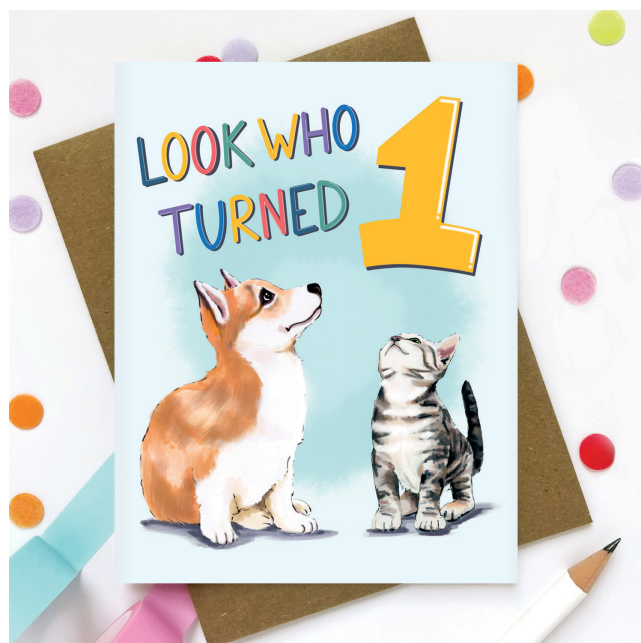

Combining her background in fine art and product development in the fashion industry, Morgan takes pride in designing each card with care and intentionality.

LOOK WHO IS  
BACK, BABY!

The subject of today's column is now single! Proving once again that two are not always better than one.

This reporter has never seen such an outpouring of well-wishes from friends and acquaintances at the dissolution of this relationship. While some wished both parties well, there were several ride-or-die friends coming in with hot takes: "I knew my friend was way too good for them!" "I never liked them anyway!" and "Good riddance!" were declared with gusto.

While unsure as to our newly single subject's plans, this writer knows that the best is yet to come for them!
