ABOUT US

SASSY BUT CLASSY BY SUE features fun, edgy and unapologetic greeting cards and magnets.

These uncensored and adult humour designs are sure to give you a good laugh. Sassy but Classy was created in Edmonton, AB with the cards printed in London, ON and the magnets printed in Toronto, ON.

Sue's long time career as a sales rep in the giftware industry helped her identify the market was lacking in true, uncensored, adult humour designs. Sassy but Classy started as a hobby for Susan Bacon in 2018 when her husband, who had a few years earlier been diagnosed with a terminal brain tumor, required more at home care and she could no longer travel for her sales rep job, but it quickly turned into a career!
