THAT'S SO Andrew

FOUNDED IN 2019 BY
OWNER ANDREW FEGLER.

His line of **GREETING CARDS** have the same sassy, snarky and downright crass humour that is an extension of his self-image and personality and has become a trademark of his line.

Given that Andrew is himself part of the LGBTQ+ community, it was always important to him that his products fall under 3 pillars of **INCLUSIVE, HUMOROUS AND ON TREND.**

All of That's So Andrew cards boast a fun and bright aesthetic to be unique and on trend, and have a strong focus on inclusivity for the LGBTQ+ community and allies, pushing the barriers to promote this by providing humour and laughter to places where it doesn't typically belong.
