MERRY
CHRISTMAS

THE REST OF US

The Rest of Us skillfully channels clever wit and authentic sincerity from a myriad of timeless images, matching classic photos with sentiment and a sense of humour that is borne from our shared experience with the absurdity of the modern world. Another reason this card line feels so fresh is that it is wonderfully diverse – there is something in here for everyone, from the most world-weary and cynical soul to those who never fail to listen to the angel on their shoulder. What's more, each card is designed with gorgeous collage elements from vintage ephemera (memorabilia for those that need a dictionary), helping to create a unique and memorable impression for each lucky recipient.

EACH CARD IS 5"x 7", PRINTED ON THICK GLOSSY PAPER, AND COMES WITH A CLASSIC KRAFT PAPER ENVELOPE. EACH CARD IS GREETED INSIDE, AND HAS FULL COLOUR GRAPHICS. CARDS ARE SOLD IN MULTIPLES OF FOUR.
