# Squibbles

Squibbles is a delightful series of illustrated and hand painted greeting cards that feature instantly-recognizable Canadian animals and objects that have earned their place in our cultural iconography. Recipients will be charmed by these adorable subjects that have been given a life of their own by way of the heartwarming character imbued by their design. Proudly designed, printed, and shipped in Canada.

Each card is 5" x 7", printed on thick matte paper, and comes with a classic kraft paper envelope.

Each card is greeted inside, with the exception of our Everyday cards, and has full colour graphics.

Sold in multiples of six.
