SOAP/Goatmilk

Goatmilk

Great for sensitive, dry or damaged skin, goat milk has powerful anti-bacterial properties. The creamy fragrance will leave you feeling wonderfully soothed and relaxed.

9 347774 000098

MANUFACTURING PROCESS

We make all our products in beautiful Australia.

All our soap bars are made using the traditional method of French Triple Milling. Quite simply, this process allows the bar to be completely uniform and smooth, without impurities and is longer lasting than other methods. Passing the soap blend through the mills makes sure the soap bar has fragrance and Shea Butter right through to the very last piece.

3256-WL-31
SOAP/Havana

Havana

Exotic mix of rich Cuban tobacco, Calabrian bergamot, black cocoa and finishing off with a hint of ylang ylang.

3256-WL-10
SOAP/Honey & Almond

Honey & Almond

The rich fragrance of golden honey coated buttery almonds. This soap contains pure Victorian honey.

3256-WL-28
SOAP/Ice Cream

Ice Cream

Inspired by childhood memories of long hot summers and delicious creamy vanilla Ice Cream cones. A truly indulgent experience, with no guilt!

3256-WL-21
SOAP/Japanese Plum

Japanese Plum

The perfect blend of citrus and floral. Combination of ripening blossoms of Japanese Plums, rich fruits mixed with sweet citrus for a sweet fragrance.

3256-WL-08

ABOUT US

Wavertree & London is family owned and operated in Melbourne, Australia. We are proud soap maker's that have crafted the best ingredients, perfumes, fragrances and the most exotic additives to create our beautiful range of soap bars. They are a true soap maker's soap bar wrapped in our exclusive textured Italian paper.

The origin story of our brand name dates back to previous generations of the London family who called Wavertree, England, home. Wavertree is a Ward of the City of Liverpool and combined with our family name London is how the brands name came about. A nod to the past with a keen passion to the future.

All our products are proudly made in house.
