CARDS

Having a sister like you is something I don't take for granted.
It means I never have to face the challenges of life alone.
It means I have the gift of sharing a closeness of spirit that gives life meaning.
It means I always have a friend who understands where I've been and where I want to go and who accepts me for who I am.
Thank you for all you are to me... especially for being my sister.

I love you!
